Life resume - Please tell us about yourself and your interests:

I grew up in Birchwood Wisconsin and graduated high school there. A small community of 430, I understand how limited resources can be. Luckily, the Bookmobile came to town during the summer when the school library was closed. I attended UW-BC / UW-RF and graduated in 1976. Since then, I have been teaching high school English at Unity High School (My B.S. degree was in English / Library Science). I retired from Unity in June 2011 after 35 years. While at Unity, I advised the yearbook and Drama. I have two grown sons; both are graduated from college. My husband teaches music (elementary) at Somerset. I love to read and travel. I enjoy history, movies, music, and the Packers.

Please explain why you are interested in serving on the Polk County Library Federation board of trustees?

While teaching, I gave all my energy to that. Now I want to work in the community; I understand the challenges facing small communities (both the financial & sociological). Reading & having access to books, computers, and other resources is crucial to having an informed citizenry.

Please assess of our support services for the Polk County libraries and where do you feel improvements can be made: Since being asked to serve on the IFLS board, I have become more active in being informed about local libraries, joining book clubs & touring. While teaching, students accessed MORE. I think that of the libraries I'm familiar with, they're doing okay with what they have BUT more outreach, more technology is necessary. Always (except for Luke, SF, Fredrick) facilities can be upgraded. When I'm on the board, I'll try to get to each library to talk w/ staff. They are on the frontlines, and they know best what needs they have.
